Do not file an "Amendment" or "Re-filing" in lieu of an "Original" filing. You may be subject to a fine. "Re-filings" are for NAIC database purposes only and should not affect PDF files at the OIC.

We remind domestic entities that OIC approval is required to file an amendment. Requests from the NAIC to amend documents are implicitly approved by the OIC.

Unapproved amendments may result in the company reversing the amendment.
